

NIKHIL VERMA

Full Stack MERN Developer

 +91-6394401542

 Lucknow, Uttar Pradesh

 nikhilverma8355@gmail.com

SUMMARY

Full Stack **MERN Developer** with hands-on experience in building responsive and scalable web applications using MongoDB, Express.js, React.js, and Node.js. Skilled in backend integration, authentication systems, and clean code practices. Passionate about problem-solving and continuous learning.

WORK EXPERIENCE

Summer Training – (Techpile Technology Pvt. Ltd., Lucknow) (2025)

- Completed hands-on training in **MERN Stack development** with practical experience in full-stack applications and backend integration.

Apprenticeship – (Techpile Technology Pvt. Ltd., Lucknow) (2025 - 2026)

- Completed multiple real-world full-stack projects with hands-on experience in backend API development, frontend-database integration, and scalable application architecture. Successfully implemented CRUD operations, authentication systems, responsive user interfaces, and optimized database management while following modern web development practices.

PROJECTS

Hotel Management System (MERN Stack) --> [Link](#)

- Built a full-stack Hotel Management System using Next.js and Tailwind CSS with a responsive user interface. Implemented JWT-based authentication and protected routes to ensure secure user and admin access. Developed an Admin Panel with CRUD operations for managing rooms and application data using MongoDB. The application was successfully deployed on Vercel for live production use.

Task Management System (MERN Stack) --> [Link](#)

- Built a full-stack Task Management application with JWT-based authentication, protected routes, and hashed passwords. Integrated MongoDB Atlas for cloud database management and developed RESTful APIs for task operations. Successfully deployed the application on Render.

EDUCATION

Diploma in Computer (2023-2026)

Completed a Diploma in Computer Science with strong skills in programming, web development, database management, and problem-solving. Gained practical experience through real-world and academic projects.

INTERMEDIATE (2022-2023)

Completed Intermediate with 80.5% marks, showing good academic performance.

HIGH SCHOOL (2020-2021)

Completed High School with 79.5% marks, showing good academic performance

TECHNICAL SKILLS

- Frontend:** React.js, Tailwind CSS, Bootstrap, HTML, CSS, JavaScript
- Backend:** Node.js, Express.js
- Database:** MongoDB
- Tools:** Git, GitHub
